

TUITION, FEES, AND COSTS

Ms. Sue E. Mitchell,
Vice President for Finance and Administration

Valdosta State University is a unit of the University System of Georgia and receives a major portion of its operating funding through appropriations from the State of Georgia. This support enables the University to offer high quality educational programs at a minimal cost to its students.

Valdosta State University's academic year consists of two terms: Fall and Spring, as well as a series of Summer Sessions.

The University's tuition is set by the University System of Georgia Board of Regents each spring and is effective the following fall term. Mandatory Fees and Other Fees are proposed annually by the University, supported by a committee, half of whom are students, and ultimately approved by the Board of Regents. However, the University and the University System reserve the right to change fees at the beginning of any term.

FEESCHEDULE

All charges are based on approved fees and are subject to change according to the policy of the Board of Regents.

Fee schedules can be found on the Web at

<<http://www.valdosta.edu/finadmin/financial/feeschedules.shtml>>

All new students who attend orientation programs will be charged \$40 to cover the related costs. All transfer students who attend an orientation program will be charged \$20 to cover the related costs.

VSU assesses mandatory fees each semester to students who are registered for 4 or more credit hours on the main campus. Valdosta State University's mandatory fees for these students include health fee, student activity fee, athletic fee, transportation fee, parking facility fee, and health facility fee.

All students are charged the following mandatory fees each semester regardless of campus or registered credit hours: technology fee, access card fee and a Board of Regents Institutional fee.

All fees are tentative and subject to change according to Board of Regents policy.

Off-Campus Courses

Off-campus and on-campus fees are the same. However, health, health facility, student activity, athletic, transportation, parking facility, and access card fees are assessed only for on-campus courses.

Audit (non-credit) Fees

Fees for attending class on an audit or non-credit basis are calculated on the same schedule as regular academic fees.

PAYMENT OF FEES AT REGISTRATION

Registration is complete only when tuition and fees are paid by the established deadline.

Students are responsible for determining account balances and securing payment by the established fee payment deadline. The University's web site is the most up-to-date reference for registration and fee payment deadline dates, but notices are also sent to University e-mail accounts. The VSU e-mail is an official means of communication with students.

However, in the event that an account balance is not paid or scheduled to be paid, the University mails an invoice to students with account balances 2-3 weeks before each fee payment deadline. Generally, the invoice will reflect the amount owed, which is based on the courses selected, living arrangements on campus, the meal plan selected, and other student choices.

Financial Aid may be used to pay for tuition and room and board in accordance with federal regulations. However, if there is any other charges, a student must give the University consent to pay other charges with federal financial aid. This authorization is maintained in the Banner student system. A written statement is required to rescind the authorization and should be delivered to the Financial Aid Office in the University Center.

VSU accepts the following payment forms - all of them may be used to secure registration, but in all cases, full payment is required: cash, personal check, ACH direct payment (online webcheck), money order, traveler's check, online credit card (MasterCard, Discover, or American Express), university short-term loans (separate qualifications required), completed and fully authorized financial aid (meaning all promissory notes have been signed for loans). **Credit card payments are accepted only online through the Banner student information system.**

VSU does not accept the following payment forms: third party checks, credit card checks, starter checks, counter checks, or partial payments.

If full payment is not made by the fee payment deadlines, VSU reserves the right to take the following actions and will notify students of such action: cancel registration in progress, hold student records, prevent future registration, and pursue collection of debt.

Students who register but do not attend VSU for a given term must withdraw from courses paid for by financial aid in order to avoid unsatisfactory grades or financial accountability. A withdrawal from one class does not mean a complete withdrawal from the University.

Please refer to the following section for the University's Refund Policy.

Complete payment instructions are located on the Web at

<<http://www.valdosta.edu/finadmin/financial/feeschedules.shtml>>.

Because fees for fall 2011 were not available at press time, estimations are provided for readers' planning purposes.

The following schedule is an estimation of the cost **per term** for a full-time student beginning in fall 2011:

	In-state*	Out-of-state*
One Semester Tuition and Student Fees 12 hrs.+	\$3,322	\$9,310
One Semester Dormitory, Double Occupancy Room	1,730	1,730

One Semester Estimated cost of books & supplies	600	600
Estimated Total	\$7,347	\$13,335

*All charges are based on approved fees and are subject to change according to the policy of the Board of Regents.

REFUND OF FEES

Students officially withdrawing from the University after paying fees for the term will be issued a 100% refund for tuition, mandatory fees, campus housing, and board meal plans, provided the official withdrawal occurs **NO LATER THAN** the official drop/add day for refunds. Students officially withdrawing from **ALL** classes **AFTER** the official drop/add day will receive a refund based upon the following official refund policy:

The refund amount shall be based on a pro rata percentage determined by dividing the number of calendar days in the semester that the student completed by the total calendar days in the semester. The total of calendar days in a semester includes weekends but excludes scheduled breaks of five or more days and days that a student was on an approved leave of absence. The unearned portion shall be refunded up to the time that the amount earned equals 60%.

Students who withdraw when the calculated percentage of completion is greater than 60% are not entitled to a refund of any portion of institutional charges. A refund of all non-resident fees, matriculation fees, and other mandatory fees shall be made in the event of the death of a student at any time during the academic session.

Housing fees, post office box fees, and music fees are non-refundable fees. Refunds of elective charges upon withdrawing from the institution during a term will be made on a prorated basis determined by the date of withdrawal. Flex charges and à la carte meal plans are refundable only to the extent they are unspent

It is the student's responsibility to withdraw officially in accordance with university regulations, which are set out in this *Catalog*. Students receiving funds and financial aid monies will have their refunds restored to the following programs in this precise order: outstanding balances on non-subsidized loans, subsidized loans, PLUS loans, Pell, SEOG, other Title IV student assistant programs, HOPE, private scholarships, and finally to the student.

No other refunds or reductions are allowed unless such reductions are necessitated by schedule changes initiated by the University. Students suspended or expelled for disciplinary reasons are not entitled to a refund of any deposits, tuition, or fees paid. Additionally, students who are asked to vacate their residence hall rooms as a result of disciplinary actions are not eligible for refunds.

RULES GOVERNING THE CLASSIFICATION OF STUDENTS AS IN-STATE RESIDENTS AND NON-RESIDENTS (OUT-OF-STATE)

A. United States Citizens

1. An independent student who has established and maintained a domicile in the State of Georgia for a period of at least 12 consecutive months immediately preceding the first day of classes for the term shall be classified as “in-state” for tuition purposes.
It is presumed that no student shall have gained or acquired in-state classification while attending any postsecondary educational institution in this state without clear evidence of having established domicile in Georgia for purposes other than attending a postsecondary educational institution in this state.
2. A dependent student shall be classified as “in-state” for tuition purposes if either i) the dependent student’s parent has established and maintained domicile in the State of Georgia for at least 12 consecutive months immediately preceding the first day of classes for the term and the student has graduated from a Georgia high school or ii) the dependent student’s parent has established and maintained domicile in the State of Georgia for at least 12 consecutive months immediately preceding the first day of classes for the term and the parent claimed the student as a dependent on the parent’s most recent federal income tax return.
3. A dependent student shall be classified as “in-state” for tuition purposes if a U. S. court-appointed legal guardian has established and maintained domicile in the State of Georgia for at least 12 consecutive months immediately preceding the first day of classes for the term, provided that appointment was not made to avoid payment of out-of-state tuition and the U.S. court-appointed legal guardian can provide clear evidence of having established and maintained domicile in the State of Georgia for a period of at least 12 consecutive months immediately preceding the first day of classes for the term.
4. If an independent student classified as “in-state” relocates temporarily but returns to the State of Georgia within 12 months, the student shall be entitled to retain in-state tuition classification.
5. If the parent or U.S. court-appointed legal guardian of a dependent student currently classified as “in-state” for tuition purposes establishes domicile outside of Georgia after having

established and maintained domicile in the State of Georgia, the student may retain in-state tuition classification as long as the student remains continuously enrolled in a public postsecondary educational institution in the state, regardless of the domicile of the parent or U.S. court-appointed legal guardian.

B. Noncitizens

Noncitizens initially shall not be classified as “in-state” for tuition purposes unless there is evidence to warrant consideration of in-state classification. Lawful permanent residents, refugees, asylees, or other eligible noncitizens as defined by federal Title IV regulations may be extended the same consideration as citizens of the United States in determining whether they qualify for in-state classification. International students who reside in the United States under nonimmigrant status conditioned at least in part upon intent not to abandon a foreign domicile are not eligible for in-state classification.

A glossary defining the terms in the tuition classification policy can be found in the University System of Georgia Board of Regents Tuition Classification

Relocation to the state must be for reasons other than enrolling in an institution of higher education. This waiver will expire 12 months from the date the waiver was granted.
As of the first day of classes for the term, an economic advantage waiver may be granted to a student possessing a valid employment-related visa status who can provide clear evidence of having relocated to the State of Georgia to accept full-time, self-sustaining employment. If the parent, spouse, or U.S. court-appointed legal guardian of a continuously enrolled nonresident student establishes domicile in another state after having maintained domicile in the State of Georgia for the required period, the nonresident student may continue to receive this waiver as long as the student remains continuously enrolled in a public postsecondary educational institution in the state, regardless of the domicile of the parent or U.S. court-appointed legal guardian.

Please Note: In order to avoid delay and inconvenience upon arrival for registration, any question concerning residence status should be clarified immediately upon receipt of acceptance of admission or not later than one month prior to the registration date. Questions for clarification should be addressed to Resident Committee, Office of Admissions, Valdosta State University, Valdosta, Georgia 31698.

Student Responsibilities

- A. **Student Responsibility to Register Under Proper Classification:** The responsibility of registering under the proper residence classification is that of the students. If there is any question of the right to classification as a legal resident of Georgia, it is the student's obligation, prior to or at the time of their registration, to raise the question with the administrative officials of the institution in which he or she is registering and have the classification officially determined. The burden always rests with the student to submit information and documents necessary to support the contention of qualification for in-state residency under Regents' regulations.
- B. **Notification Upon Becoming a Non-Resident:** Students who are classified as residents (in-state) must notify the proper administrative officials of their institution immediately of any change (out-of-state) in their residency status.

Reclassification of Non-Resident Students

Those non-resident (out-of-state) students who believe they have met the resident requirements as previously set forth may complete a Petition for Residence Status, which is available in the Registrar's Office and must be completed and supported by the required documentation before an initial review of status can be conducted.

The initial review is conducted by a member of the Registrar's staff, who will rule on the basis of oral evidence and other documentation supporting the petition for in-state resident status. The results of the initial review, if unfavorable, may be appealed to the Residence Status Review Committee and ultimately to the president, if such action is required.

Such petitions and appeals must be completed no later than 60 days following registration for the academic term for which residence status is to be effected. If the petition is granted, reclassification will not be retroactive to prior terms.

Should it be determined that the student has misrepresented or omitted material facts which results in classification or re-classification as a resident student, retroactive charges for out-of-state tuition will be made and must be paid prior to the close of the academic term in which they are levied.

CHECK CASHING SERVICE

All checks and money orders must be payable through a United States bank. To accommodate students, the University will cash one personal check per day, per student, for \$50.00 or less at the Bursary. Bursary hours are Monday-Thursday, 8:00 a.m. to 5:00 p.m. and Friday, from 8:00 a.m. to 2:30 p.m. Checks will not be cashed if the student has a "Hold" on his or her student account. Checks drawn for cash only must be made payable to "VSU-CASH." The University will not accept two-party checks for cashing. Parents who send their son or daughter spending money by check should make their check payable to VSU, with the student's name on the "for" section of the check.

Checks issued to the University in payment of fees, purchases of books, etc., or to be cashed for personal convenience must be paid upon presentation to the bank on which they are drawn. Checks returned to the University for insufficient funds, account closed, stopped payment, or for any other reason will be handled in accordance with the Collections Policy, below.

Additionally, the University can suspend the student from class and from any facilities of the University for a returned check of any reason. Suspension from class will not relieve the student from the obligation for payment of the returned check and fees.

COLLECTIONS

The University recognizes that circumstances may arise to create a balance due to the University. In effort to protect the financial interests of the institution and the State of Georgia, VSU follows the *Business Procedures Manual* of the Board of Regents, chapter 10.0, regarding collection, due diligence procedures, and write-off.

Financial holds are placed on student accounts for balances due. These holds will not allow students to register, graduate, or receive official VSU documents until outstanding balances are paid. Students can check their account status and hold type by visiting the Banner Registration Website.

Generally, student account balances and returned checks (NSF) that are past due 180 days will be turned over to the University's Collection Agency.

CANCELLATION OF STUDENT REGISTRATION FOR CAUSE

The University reserves the right to cancel the registration of any student who fails to meet his or her financial responsibility, according to the rules and regulations of the University. The rules and regulations provide that:

1. All fees are due and payable upon completion of registration. Students should not report for registration without having sufficient funds available to pay their fees. The payment instructions are located at < www.valdosta.edu/finadmin.financial/student/html >.
2. Any check issued to the University in payment of fees, or to be cashed for personal convenience, must be paid upon presentation to the bank on which it is drawn. A student who issues a check on a bank without having sufficient funds on deposit in that bank has violated the statutes of the State of Georgia and may be prosecuted.
3. All fines for violations of the rules related to parking and traffic, and charges related to the library and other facilities such as laboratory breakage, etc., must be paid promptly. Those students having outstanding obligations will not be allowed to enroll in subsequent terms.
4. Misuse of an I.D. card may result in suspension from classes of all involved students.
5. Students who have secured short term loans must have this obligation paid in full according to the terms agreed upon with the Loan Officer to avoid suspension or possible cancellation of the term's registration.
6. Students who misrepresent the facts pertaining to their qualifications to live off-campus may be suspended from classes. In each instance, students will be given proper notice to comply with the housing regulations before action is taken to effect cancellation of their registration.
7. The University reserves and intends to exercise the right to withhold copies of education records and/or to cancel enrollment of students who owe the University money.

VERIFICATION OF LAWFUL PRESENCE

The Board of Regents of University System of Georgia (USG) has recently instituted new policies that affect all applicants who seek in-state tuition at USG institutions. According to USG policy, individuals who apply for Fall 2011 and beyond must submit documentation of US citizenship or permanent residency before being considered for in-state tuition.

The following documents serve as proof of lawful presence in the United States. One of the following is required before you are eligible for in-state tuition:

- Your completed FAFSA for the current or next financial aid year. Lawful presence can be determined through this process.
- A certified US birth certificate showing the applicant was born in the US or a US territory. *Photocopies are not acceptable.*
- Copy of a current US passport.
- Copy of a current driver's license issued by the state of Georgia after January 1, 2008.
- Copy of a US certificate of naturalization.
- Copy of a US certificate of citizenship.
- A US certificate of birth abroad issued by the Department of State or a consular report of birth abroad.

Please note: Any applicant whose status cannot be verified is not eligible for in-state tuition regardless of how long he or she has lived in Georgia.

Valdosta State University is defined by the Board of Regents of the University System of Georgia as a residential institution, and the University must provide on-campus housing and dining service. All undergraduate students who live in residence halls are required to participate in the meal program. The policy is a part of the total "Living-Learning" concept of the University and is supported by an amendment to the Georgia Eighteen-Year-Old Bill, which reads, "Nothing in this Act shall be construed to limit the powers of the Board of Regents of the University System of Georgia to adopt and enforce rules and regulations for the government, control, and management of the University System; nor shall this Act be construed so as to limit the authority of any institution in the University System of Georgia to adopt and enforce rules and regulations governing housing, conduct, discipline, and other related activities of the student body." Following Regents' policy, the Auxiliary Services Division is totally self-supporting and receives no state allocations of funds.

HOUSING AND RESIDENCE LIFE

Housing Application and Contract

The Housing Application and Contract forms are available on-line at <<http://housing.valdosta.edu>>. Once admitted, new students will receive a postcard invitation to apply for housing. All students applying for campus housing will be required to sign a contract with Housing for the academic year. Apartment residents must sign a 12-month contract. All students who plan to live in campus housing must pay an application fee of \$25 and a \$300 deposit when they submit their Housing Application and Contract.

The deposit is a one-time fee that will be refunded once the student fulfills the requirements set forth by the Housing contract or upon graduation from the University. The housing contract outlines conditions under which refunds may be made. Occupancy of a traditional-style and suite-style residence hall room is terminated at the end of

each spring semester (9 months). Apartment contracts terminate at the end of summer term (12 months). Students currently enrolled should obtain an application for housing at the annual Room Selection Process held in March.

Please read the contract carefully, as it constitutes a fully binding legal agreement with the University. Requests for release from the housing contract prior to the conclusion of the academic year will be considered after the student resident completes a Request for Release from Contract, available online at <<http://housing.valdosta.edu>> .

Freshman Residency Program

Valdosta State University administers a Freshman Residency Program, which requires that all freshmen live on campus. To obtain an exemption from this requirement, a student must apply for exemption and meet one of the following criteria: (1) age 20 by September 1 of the current academic year; (2) married; (3) be a single parent; or (4) residing with parent(s), grandparent(s), or legal guardian within a 50-mile radius of Valdosta. Exemption forms are available online: <<http://housing.valdosta.edu>> or at the Office of Housing and Residence Life, located Hopper Hall, telephone 229-333-5920.

Residence Hall Fees

All fees are tentative and subject to change according to Board of Regents policy.

The rate of \$1,730 per semester is projected for the 2011-2012 year, which includes the Housing Activity Fee (\$20) and Post Office Box Fee (\$10), is in effect for un-renovated part of Langdale Hall. The rate of \$1,830 is projected for Brown, renovated part of Langdale, Lowndes, Reade, and Patterson Halls. This rate is based on dual occupancy.

Apartments

Centennial Hall apartments are available to upperclassmen. Students should note that the number of class hours earned and GPA will establish priority for apartment assignments. Students interested in the apartments must complete an application and apartment contract available online at <<http://housing.valdosta.edu>> or in the Office of Housing and Residence Life, located in Hopper Hall, telephone 229-333-5920. Prices include Housing Activity Fee (\$20) and Post Office Box fee (\$10).

Centennial two-bedroom (per person) projected	\$2,395
Centennial four-bedroom (per person) projected.....	\$2,270

Housing charges are assessed on a semester basis and must be paid in full during the registration process at the beginning of each semester. Rates include all utilities. Rates for future academic years will be posted at <http://housing.valdosta.edu> and available on campus once the rates have been established. All charges are based on approved fees and are subject to change according to policies of the Board of Regents.

DINING SERVICES

Valdosta State University and Dining Services firmly believe that today's hard-working student should be rewarded with a dining service that makes eating on campus palate-pleasing, healthy and entertaining. With 11 different dining locations in 8 different buildings and 2 on-campus convenient stores, there's always a place to grab a bite to eat no matter where you are on campus. HOUSING AND RESIDENCE LIFE

The mission of the Office of Housing and Residence Life is to provide affordable quality housing in a safe and secure environment. Our caring and competent staff members are committed to serving students by creating a holistic living and learning community that fosters education, diversity, civic engagement, recreation, and personal growth through programming and leadership opportunities.

Valdosta State University houses approximately 2,950 students on campus in five traditional residence halls, two suite-style halls, one super suite style hall, and one apartment community. Traditional residence halls offer double-occupancy rooms and community bathrooms opening onto conventional hallways. Brown, Langdale, Lowndes, Patterson, and Reade are the traditional residence halls. The new Georgia Hall and Hopper Hall, suite-style facilities, offer both private and semi-private rooms. Converse Hall, the super-suite-style facility, offers double units with a bathroom and a kitchenette and quad units with a bathroom and a full kitchen. Centennial Hall, the apartment-style facility opened in 2005, is available for upper-class students.

National research shows that freshmen who live in the residence halls tend to experience greater academic and personal success during their college career. Our experience at Valdosta State University has been consistent with these findings. For this reason, VSU has a program for all incoming freshmen to live in the residence halls. After their first year, students may choose to live in Centennial Hall or the private (2 person) suites of Georgia and Hopper Halls, if space is available. Our Housing staff strives to pair students together, according to their preferences marked on the housing applications. Students also have the option of rooming with a friend who will also be attending VSU. All students have to do is to mutually request each other by placing their requested roommate's VSU email address on their housing application. The Housing office does their best to accommodate all requests.

Where you choose to live during your college years is paramount in defining your college experience. Housing and Residence Life provides a distinctive and dynamic living and learning environment. Campus living is convenient, with all residence halls being just a short walk from classes, labs, the library, entertainment, and dining. But, living on campus is about so much more than just proximity. It is about lifelong friendships, opportunities for involvement and employment, 24-hour staff support, and leadership development. We encourage you to explore all the benefits of campus living.

The Role of the Residence Hall Staff

The Complex Director, Residence Hall Director, and Resident Assistants in your residence hall have been chosen for their ability to facilitate learning and growth. Their primary duties are to encourage and stimulate meaningful activity; to assist residents in working out the problems that occur in group living; to provide information about campus services, activities, and residence hall and university procedures; to perform certain managerial tasks such as check-in, check-out, and property inventory; and to serve as an interested person when someone wishes to discuss matters of personal concern. The Complex Director and Residence Hall Director supervise the Resident Assistants and oversee the activities within the residence hall. This staff member is present to assist you with your needs in the residence hall.

Housing Accommodations for Students with Disabilities

Specially equipped facilities for students with disabilities are available. Students requesting modified housing because of a disability must register with the Access Office for Students with Disabilities in Farber Hall, telephone 229-245-2498. The Access Office for Students with Disabilities will notify Housing and Residence Life of any reasonable accommodations required to meet a resident's housing needs.

Residence Hall or Apartment Contract

The application and contract contain items and conditions of occupancy for which you are legally responsible. Please see those documents for further details. Students are given a key to their room. There is a \$50 replacement charge for a lost key. The university recommends that all students keep their room locked. Residence Halls are locked 24 hours a day, and guests must be admitted by the resident they are visiting.

Housing applications cannot be made until a student has been formally accepted by Valdosta State University. An application fee is required of all students at the time they apply for campus housing. All students are also required to pay a deposit of \$300 by the deadlines established in the Housing Contract to reserve a room in the residence halls. The housing contract outlines conditions under which refunds may be made. All students applying for campus housing will be required to contract for housing for the academic year.

Apartments are available on a limited basis to students who meet the specific requirements. Two- and four-bedroom apartments are available. All utilities are provided. Valdosta State University maintains a list of available off-campus housing in the Office of Housing and Residence Life, located in Powell Hall East. Telephone 229-333-5920. For additional information on Housing and Residence Life at Valdosta State, see the Web page at < <http://housing.valdosta.edu> >.

Student Conduct Code

All rules listed under Student Code of Conduct in the Student Handbook apply to residence hall living. All resident students must also abide by the Community Living Guidelines found on the Housing website and in the Student Success Planner.

The University reserves the right to remove any student from housing who is delinquent in the payment of bills to the University, has demonstrated an unwillingness to abide by the University Code of Conduct and Community Living Guidelines, violates any section of the Housing contract or published Residence Life rules and regulations, or exhibits behavior that is incompatible with the maintenance of order and propriety in the residence halls.

Building Security

The Residence halls are locked 24-hours a day, beginning the first day of class each semester. You may gain admission to your residence hall by using your VSU identification card. For your own protection, nonresidents are not allowed in the halls unless they are guests of residents or are on official business. Students should be aware of this non-trespass policy and should assist the residence hall staff in maintaining the privacy and security of the halls. In order for guests to contact residents, they may call residents from the courtesy phones located outside each residence hall.

The University can assume no responsibility for missing or stolen articles. Parents' insurance policies may cover resident belongings while students are at college. Check with your insurance provider for more information. Students should leave family heirlooms and valuables at home and keep their room locked when they are not present.

The Office of Housing and Residence Life is located on the first floor of Powell Hall East. For more information on Housing and Residence Life, please visit the website at <<http://housing.valdosta.edu>> telephone 229-333-5920 or via email at <housing@valdosta.edu>.

DRUGS

Valdosta State University, as a regional university within the University System of Georgia and recipient of federal funds, supports and complies with the Drug Free Work Place Act of 1988 and the Drug Free Schools and Communities Act of 1989, and the Drug Free Postsecondary Education Act of 1990.

Faculty, staff, and students of Valdosta State University are advised that the unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs and alcohol is prohibited, and violations of this policy will result in appropriate disciplinary action, to include suspension or termination.

Faculty, staff, and students are expected to adhere to the policies of the institution, observe the basic rules of good conduct, and observe all local, state, and federal regulations relative to illegal drugs and alcohol. Violations of such regulations, including misdemeanor or felony convictions during the course of one’s employment or enrollment, will result in appropriate disciplinary action. This policy is subject to modifications, and said changes will be publicized. Questions regarding this matter may be directed to the Office of Personnel or the Office of the Vice President for Student Affairs.

STUDENT DISSENT

Valdosta State University will not permit any demonstrations or protests that would disrupt any academic or regularly scheduled non-academic pursuits. Dissent which is voiced in a constructive way and is manifested in an orderly and peaceful manner is acceptable. Threats, demands, and coercion are not acceptable. All students affiliated with Valdosta State University are expected to abide by the Student Code of Conduct.

BOARD OF REGENTS STATEMENT ON DISRUPTIVE BEHAVIOR

The following is the policy of the Board of Regents of the University System of Georgia regarding disruptive behavior in any institution of the University System:

The Board of Regents of the University System of Georgia reaffirms its policies to support fully freedom of expression by each member of the academic community and to preserve and protect the rights and freedom of its faculty members and students to engage in debate, discussion, peaceful and nondisruptive protest and dissent. The following statement relates specifically to the problem described below. It does not change or in any way infringe upon the Board’s existing policies and practices in support of freedom of expression and action. Rather, it is considered necessary to combat the ultimate effect of irresponsible disruptive and obstructive actions by students and faculty which tend to destroy academic freedom and the institutional structures through which it operates.

In recent years, a new and serious problem has appeared on many college and university campuses in the nation. Some students, faculty members, and others have on occasion engaged in demonstrations, sit-ins, and other activities that have clearly and deliberately interfered with the regular and orderly operation of the institution concerned. Typically, these actions have been the physical occupation of a building or campus area for a protracted period of time or the use or display of verbal or written obscenities involving indecent or disorderly conduct.

These actions have gone beyond all heretofore recognized bounds of meetings for discussion, persuasion, or even protest, in that: (1) acquiescence to demands of the demonstrators is the condition for dispersal, and (2) the reasonable and written directions of institutional officials to disperse have been ignored. Such activities thus have become clearly recognizable as an action of force, operating outside all established channels on the campus, including that of intellectual debate and persuasion which are at the very heart of education.

The Board reaffirms its belief that all segments of the academic community are under a strong obligation and have a mutual responsibility to protect the campus community from disorderly, disruptive, or obstructive actions which interfere with academic pursuits of teaching, learning and other campus activities.

The Board of Regents understands that this policy is consistent with resolutions adopted by the American Association of University Professors in April, 1968, by the Association of American Colleges in January, 1968, and by the Executive Committee of the Association for Higher Education in March, 1968, condemning actions taken to disrupt the operations of institutions of higher education.

The Board of Regents is deeply concerned by this new problem. Under the Constitution of the State of Georgia, under all applicable court rulings, and in keeping with the tradition of higher education in the United States, the Board is ultimately responsible for the orderly operation of the several institutions of the University System and the preservation of academic freedom in these institutions. The Board cannot and will not divest itself of this responsibility. Of equal or greater importance, such action of force as has been described above destroys the very essence of higher education. This essence is found in the unhampered freedom to study, investigate, write, speak, and debate on any aspect or issue of life. This freedom, which reaches its full flowering on college and university campuses, is an essential part of American democracy, comparable to the jury system or the electoral process.

For these reasons and in order to respond directly and specifically to this new problem, the Board of Regents stipulates that any student, faculty member, administrator, or employee, acting individually or in concert with others, who clearly obstructs or disrupts, or attempts to obstruct or disrupt any teaching, research, administrative, disciplinary or public service activity, or any other activity authorized to be discharged or held on any campus of the University System of Georgia is considered by the Board to have committed an act of gross irresponsibility and shall be subject to disciplinary procedures, possibly resulting in dismissal or termination of employment.

**Notification of Rights under the Family Educational Rights
and Privacy Act of 1974 (FERPA)
for Post-Secondary Institutions Dealing with Student Educational Records**

In accordance with the policy of the Board of Regents of the State of Georgia and under the provisions of The Family Educational Rights and Privacy Act of 1974 (FERPA), Valdosta State University maintains various educational records for each matriculating student. VSU affords students certain rights with respect to these educational records, and these rights include:

1. The right to inspect and review the student's educational records within 45 days of the day the University receives a request for access. Students should submit to the registrar, the dean of the appropriate college, the head of the appropriate academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed. VSU's official contact person for such record requests is the Custodian of Official Records in the Office of the Vice President for Academic Affairs. There will be a nominal fee for the retrieval and reproduction of any record requests.
2. The right to request the amendment of the student's educational records that the student believes are inaccurate. Students may ask the University to amend a record that they believe is inaccurate. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate. If the university decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the University may disclose education records without consent to officials of another school in which a student seeks or intends to enroll.

Directory information: Valdosta State University publishes student information in the form of directories, programs, etc. Students who desire that directory information not be released without consent should notify the Office of the Registrar. The following is considered directory information unless notification is received to the contrary:

Educational records may be furnished to a requesting party in compliance with a judicial order or pursuant to any lawfully issued subpoena.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failure by Valdosta State University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605, (202) 260-3887.

The following are exceptions within FERPA, and students should take note of them:

FINANCIAL AID ACADEMIC REQUIREMENTS

In accordance with the Higher Education Act of 1965, as amended, students must be making satisfactory academic progress, both in quality and quantity, to qualify for and continue to receive Title IV federal financial aid. The satisfactory academic progress standards for federal financial aid recipients at Valdosta State University are as follows:

Undergraduate Students

Qualitative. All students are expected to maintain the academic standards outlined in the official Catalog of Valdosta State University. Students who fail to meet these standards will be placed on academic suspension. Students receiving financial aid who are placed on academic suspension will have their financial aid terminated. Financial aid applicants who were placed on academic suspension at the end of the last semester they attended are not eligible for financial aid.

Quantitative. In addition to maintaining the specified grade point average, students receiving financial aid must complete their degree within an acceptable number of attempted hours and successfully complete a minimum percentage of credit hours each academic year.

To maintain financial aid eligibility at Valdosta State University, a student must complete their degree program by the time they have attempted 150% of the number of semester hours required to earn the degree. Examples: Students pursuing a degree that requires 120 semester hours may not receive financial aid after they have attempted 180 hours. If the degree requires 130 semester hours, students will be expected to have earned the degree after having attempted no more than 195 hours.

Students must successfully complete 67% of the courses for which they register. The grades of A, B, C, D, and S count as the successful completion of a course. The grades of F, W, WF, I, IP, U, NR, and V do not count as the successful completion of a course.

Remedial Course Work

No student may receive financial aid for more than 30 hours of remedial course work, which includes all College Preparatory Curriculum deficiencies and developmental courses. Federal financial aid cannot be disbursed based on enrollment in Regents' Test preparation courses.

Monitoring of Satisfactory Progress

Qualitative academic requirements will be checked at the end of each semester and at the time the student applies for financial aid. Students who are placed on Academic Suspension will be immediately ineligible for aid. The limitation of total hours attempted and the 67% completion requirements will be checked at the end of each semester. Students who are found to be in violation of the limitation of total hours attempted and the 67% completion requirements will receive a warning letter notifying them that they have one semester to graduate or bring their completion rate up to 67%. The grade point average of students who apply during the academic year, the limitation on the total hours attempted, and the 67% completion requirement will be checked as of the end of the last semester attended.

Summer Semester

Courses taken during the summer are counted exactly the same as courses taken during any other semester.

Transfer Students

Transfer students will be considered as incoming freshmen for the initial awarding and disbursement of financial aid until transcripts arrive and are evaluated. Only grades earned at Valdosta State University will be used to determine the grade point average for financial aid eligibility. Hours transferred to Valdosta State University will be counted as total hours attempted at the end of the academic year.

Repeated Courses, Remedial Courses, Withdrawals, and Incompletes

Students should be careful in repeating courses, as all attempts at a course are counted in the maximum hours allowed to obtain a degree. Students are also reminded that withdrawing from a course does not count as successful completion and does not count in the required 67% completion rate. Incompletes also do not count as the successful completion of a course, and excessive incompletes can result in the termination of financial aid. Students can receive financial aid for no more than 30 hours of remedial course work (including remedial courses and courses to satisfy deficiencies in the College Preparatory Curriculum). However, students required to take remedial course work may have their eligibility extended by the number of remedial hours taken, up to a maximum of 30 hours.

Reinstatement of Aid

Reinstatement of Financial Aid depends upon availability of financial aid funds at the time of the application for reinstatement and other factors:

Students terminated from aid because of academic suspension may apply for reinstatement of aid after they have completed 9 or more semester hours with a grade of "C" or better in each course, at their own expense, at Valdosta State University, and are in good academic standing. Students who lose eligibility for financial aid for failure to complete the required 67% of their courses can apply for reinstatement of their financial aid once their completion rate increases to the required 67%. Students terminated from aid for failure to exit Learning Support within 30 semester hours may apply for a reinstatement of aid after exiting Learning Support.

Appeals

Students wishing to appeal may do so by filling out a Satisfactory Progress Petition and presenting it to the Financial Aid Office, along with any supporting documentation. The Financial Aid Office staff may take into consideration illness, death in the immediate family, or any other extenuating circumstances. Students will be notified, in writing, of the decision. Students wishing to appeal the decision of the Financial Aid Office may do so by writing to the Student Financial Aid Committee.

Financial Obligations Resulting from Academic Load Changes

Financial aid recipients who have loans and reduce their academic load to below half-time may have a financial obligation to the University. The undergraduate half-time load is six hours; the graduate half-time load is five hours. Students receiving a Pell Grant who drop classes to reduce their academic load may also have a reduction in their Pell Grant and thus incur a financial obligation to the University.

Students who add classes through the appeal process after the announced Drop/Add dates may incur a financial obligation, which is due upon receipt of the approval of the added classes. Classes added and not paid for are subject to cancellation.

All these financial obligations are due within five working days after the processing of the load changes and are payable at the Bursary.
