## Announcements in BlazeVIEW

## Finding and Reading General BlazeVIEW Announcements

Log in to BlazeVIEW through MyVSU.

The Announcements widget appears at the top of your BlazeVIEW homepage. The most recent announcement will display first.

- 1. Once you have read an announcement, you can dismiss it by clicking the X in the right corner.
- 2. To view more announcement options, select the arrow dropdown next to Announcements.
- 3. The **Announcements Tool** allows you to search for specific announcements by headline or date.
- Select Notifications to personalize your notification settings for announcements and other BlazeVIEW tools.

## Finding and Reading Course-Specific Announcements

≡ Ϻyvsu lv ⅔ ⊠ Q ∋

Log in to BlazeVIEW through MyVSU. Enter a specific course you are taking.

From the Navbar, click **Communication** and select **Announcements** to view a list of all the announcements for that particular course, with the most recent on top.
