WELCOME FROM THE DEPARTMENT HEAD

Dear Art and Design Students,

On behalf of all the faculty in the Department of Art & Design, I welcome you to one of the most exciting journeys you will ever embark on. Here at VSU, you will learn a lot, be challenged, and challenge each other, meet lifelong friends, and form connections with your faculty and peers that will last a lifetime.

The next four years allow you to turn your passions into your profession with the help of our award-winning, dedicated, prolific, and passionate faculty. They will lead the way, make things that are difficult look very easy, and challenge you in transformative ways. We expect you to ask questions, see us outside of class, and communicate when challenges arise.

This is an especially exciting year because you will help us welcome two new faculty members to our department. Professor Joe Schairer is joining us from Connecticut and as I write this letter, the other Professor hasn't officially been hired yet so we will all have to stay tuned to welcome them. Because all of you and the new faculty have being new to VSU in common, I hope that you take some extra time to welcome them and ensure that they are settling into this new school, state, and region well.

Learning is often dependent on forming strong bonds that create creative communities, which will allow you to thrive here and in your professional life. These communities will be formed in and outside of the classroom, as you work on projects during all hours, attend gallery/visiting artist events, see each other at sporting events, and theater/music performances. I encourage you to be a compassionate peer, to care for your fellow classmates, and create a safe and inclusive environment that will help us all thrive.

Most importantly, I hope you understand that VSU is exactly where you belong. I look forward to getting to know you.

A BALANCED SCHEDULE

As a rule of thumb, department of art & design students will want to try to take 6 hrs of CORE classes and 9 hrs of art & design courses per semester in order to maintain a manageable schedule and graduate on time.

ACCESS OFFICE

229.245.2498 - TTY 229.219.1285 - UC ENTRANCE 5, ROOM 4136

Any student who requests accommodations or modifications to a classroom or who needs auxiliary aids and services because of a documented disability must contact the Access Office Farbar Hall. By law the disclosure of a disability is always voluntary, however, students are advised to notify their teachers about their educational needs so that necessary academic adjustments and/or appropriate services can be provided.

PROGRAM REVIEWS

Students will participate in various forms of program review while studying in the Art & Design department. Below are a few forms of such assessment.

STUDIO B.A. & B.F.A. ART MAJORS

Freshman Meet/Greet/Eat

Intended to welcome, retain and acclimate new freshman Art & Design students to departmental procedures, opportunities and resources.

INTERIOR DESIGN MAJORS

Portfolio Review (ARID 1120)

The Interior Design program restricts the number of majors admitted each academic year. Only a limited number of students will be allowed to register for the second year sequence of Interior Design courses. This select admission is determined by a required portfolio review of foundation studio coursework. The program also requires a minimum GPA of 2.5 after completion of 45 hours and a successful portfolio review at the end of the Fundamental Concepts ARID 1120 course.

Advice from those who know!

The Department of Art & Design wants to provide you every opportunity for success. Consider these helpful words of wisdom from students and faculty.

- “ Ignoring an academic issue only makes it worse, but talking to your professor/ advisor about it helps to make it better. ”
- Professor Swan
- “ Time is either your friend or enemy, you get to choose which. ”
- Professor Errol
- “ Don't be afraid to ask questions. Your teachers love helping you! And if something doesn't make sense to you, there is probably someone else who is confused and too shy to ask. ”
- Professor Heuss
- “ Use a planner (or app) to keep track of all assignment deadlines and plan out your work. ”
- Professor Reynolds
- “ Great grades follow great work and great work is never about a grade. ”
- Professor Hawkins
- “ By the time you're a junior/senior you'll be developing a consistent body of work with your own original voice. So absorb everything from all your classes to help determine who you are as an artist. ”
- Graduating Senior
- “ Do the work without complaining. It will make you better. ”
- VSU Art Student

“ Working on your homework a little each day is easier than working on it two days before all day long. ”

- VSU Art Student

“ You can not expect exceptional if all you are willing to give is mediocre. ”

- Professor Crane

“ All your classes are interrelated. Take what you learn from one class (even a non-art related class) and apply it in your studio classes. You will create endless possibilities for your art and your future. ”

- Professor Davis-Walker

“ There’s endless resources and experts to do any cool thing you can imagine. Use these while you’re here! ”

- Professor Shaw

“ This is your education, be responsible for it. ”

- Professor Edwards

“ Come in with a light heart. Remember to take critiques seriously, but don’t take them personally. ”

- VSU Art Student

“ Definitely be prepared to spend a LOT of time outside of class to work on projects. It makes a huge difference in your work. ”

- VSU Art Student

“ In the words of Sister Corita Kent, ‘Always be around. Come or go to everything. Always go to classes. Read anything you can get your hands on. Look at movies carefully, often. Save everything - it might come in handy later.’ ”

- Professor Stasiak

“ Don’t waste your time making excuses when that time could be spent making yourself become really great at something. ”

- Professor Peterman

MISSING 20% ENDANGERS YOUR ENROLLMENT

ATTENDANCE REGULATIONS:

In accordance with the established attendance policies of Valdosta State University, the Department of Art expects all students to attend all regularly scheduled class meetings held for instruction or examinations. The unexcused absence or “cut” is not regarded as a privilege. Instructors are required to maintain records of class attendance and will fail students who miss more than twenty percent of the scheduled class meetings for a given course.

STUDIO ART CLASSES

1 HOUR OUTSIDE FOR EVERY CREDIT HOUR

Studio art classes are experience-based laboratory courses and require an extra contact hour for each class meeting. Students should expect to spend additional time on course projects beyond the regularly scheduled class periods in order to meet the minimum assignment requirements. **This is a minimum expectation.**

LECTURE CLASSES

2 HOURS OUTSIDE FOR EVERY CREDIT HOUR

For each hour of lecture classroom instruction, students are expected to work a minimum of two hours outside normal class time completing assignments and preparing for class. **This is a minimum expectation.**

(ie. 3 credit hour lecture = at least 6 hours per week outside of class time)

As part of your profession, making art requires a level of investment - your study of art is no different. Be prepared to purchase art supplies as part of your major. Budget accordingly **all semester**, not just at the start of classes.

KEEP ALL OF YOUR WORK

Students may be tempted to throw away assignments at the end of term. Don't throw away any of your work. You may need them - particularly for departmental reviews.

PRESENTATION OF WORK

Below is a helpful way to calculate frame and window mat sizes need to present work professionally.

 **IMAGE SIZE**
Height x Width _____

 **FRAME SIZE** (outside measurement)
Height x Width _____

 **MAT** (margins should be a min of 2" around)
Tip: Make sure your window opening overlaps your artwork about 1/8" or 1/4".

Top _____

Sides _____

Bottom _____
add more to bottom (aka

so it will *optically* look centered.

Other items needed in order to professionally frame 2Dwork:

- screws
- d-rings (**NO EYE HOOKS!**)
- wiring
- foamboard or cardboard
- crate paper (**to finish the backing of the frame**)

PAINTINGS

Paintings with finished sides on gallery wrapped canvas may not need a frame. Paintings other than watercolor should never be behind glass.
