I will not grade or give credit for discussion activity completed after the due date/time.

Completely skipping an assignment is not acceptable in graduate school. To be eligible to receive an A in this course requires completing every assignment and submitting within the specified deadlines. All course work is due inside BlazeVIEW on the date and time indicated on the course calendar (based on the BlazeVIEW clock). Technology problems are not an acceptable excuse for submitting work late unless BlazeVIEW is down at the time the work is due.

MLIS PROGRAM E-PORTFOLIO REQUIREMENT

An E-Portfolio is required for graduation by all students. Assignments from this course that you might consider including in your portfolio include the accessibility assessment report and presentation.

LIVETEXT REQUIREMENT

There are a number of assessments developed to meet ALA MLIS Program Accreditation requirements for measuring program performance in terms of student learning outcomes. These assessments are embedded in all MLIS core courses and the required collection development elective. LiveText is the online platform that has been selected to track these assessments and all MLIS students are REQUIRED to purchase a license for the LiveText system (if you already own a license our domain can be added to your current license). The LiveText Student Membership Standard Edition offers you full access to LiveText for the entire time you are enrolled in a program (a maximum of 7 years).

This course includes an assignment called Collection Development Project (CDP) that fulfills the Program Objective 1 which is marked as “necessary to fulfill requirements for this course.” You must submit the final copy of this assignment to BOTH your LiveText account and BlazeVIEW.

COURSE GRADES

Course grades will be awarded as follows:

- A: 90%–100%
- B: 80%–89%
- C: 70%–79%
- D: 60%–69%
- F: Lower than 60%

No grade below a C will be credited toward a VSU graduate degree and students must receive a grade of B or better to earn credit in core courses and the required collection development elective. You must complete all assignments to earn an A in this course.

STUDENT OPINION OF INSTRUCTION SURVEY

At the end of the term, all students will be expected to complete an online Student Opinion of Instruction survey (SOI) that will be available through SmartEvals. Students will receive an email notification through their VSU email address when the SOI is available (generally at least one week before the end of the term). SOI responses are anonymous to instructors/administrators, and they will be able to access results only after they have submitted final grades. Before final grade submission, instructors will not be able to see any responses, but they can see the percentage of students who have or have not completed their SOIs. While instructors will not be able to see student names, an automated system will send a

reminder email to those who have yet to complete their SOIs. Students who withdraw or drop a course will also be sent invitations to complete the Dropped Course Survey. Complete information about the SOIs, including how to access the survey, is available on the SOI Procedures webpage (<https://www.valdosta.edu/academics/academic-affairs/sois/>).
