NEED A MENTOR?

National Association of LSAMP Alumni (NALA) Mentorship Program

The National Association of LSAMP Alumni recognizes mentorship as one of our pillars and essential component of our strategic vision. We invite your current LSAMP scholars to the 2021 Fall Semester Mentorship Program. Students will be paired with an LSAMP alumna/alumnus that shares similar professional goals, interests, and background. [Learn more...](#)

INTERNSHIPS

US Fish and Wildlife Career & Internship Vacancies

The U.S. Fish and Wildlife Service (FWS) is sharing links to our lists of career and internship opportunities, along with other information of interest to potential applicants [Learn more...](#)

INTERNSHIPS

GSFC Pathways Intern Vacancy Announcements for Engineering at Greenbelt (Sept 13-17)

NASA's next set of Pathways Intern announcements will be open from September 13-17, 2021 and we need your help in reaching out to high caliber candidates! During the open period, all open NASA Pathways Intern vacancy announcements on USAJOBS can be accessed at the link here. **Application deadline is September 17, 2021.** [Learn more...](#)

EMPLOYMENT

Department of Energy Solar Energy Innovators Program

The Solar Energy Innovators Program is seeking applicants interested in researching innovative solutions to the challenges faced by utilities, energy service providers, and public utilities commissions (PUCs) to adapt to a system with increasing levels of solar and other distributed energy resources. [Learn more...](#)

POST-DOC

PhD position in oceanography available at Texas A&M University starting Fall 2022

Dr. Henry Potter, Assistant Professor in the Department of Oceanography at Texas A&M University, is recruiting a student to pursue a PhD in oceanography starting fall 2022. The successful candidate will have a BS or MS in oceanography, marine physics, ocean engineering, or related field and strong foundations in math, physics, and programming (Matlab, Python etc.). [Learn more...](#)

SCHOLARSHIP

SMART Scholarship-for-Service Program

The application is now open for the Department of Defense's (DoD) Science, Mathematics, and Research for Transformation (SMART) Scholarship-for-Service Program. SMART offers STEM students who are currently pursuing a bachelor's, master's, or Ph.D. a full scholarship, internships, annual stipends, and guaranteed employment with the DoD after graduation. [Learn more...](#)

SCHOLARSHIP

IAAP Scholarship Opportunities

Each year the Illinois Association of Aggregate Producers (IAAP) awards up to five scholarships of at least \$2,000. These scholarships are a one-year grant for direct educational expenses. Students may re-apply in subsequent years. **Application deadline is January 4, 2022.** [Learn more...](#)

FELLOWSHIP

Argonne National Laboratory Fellowships

Argonne National Laboratory is now accepting applications for two prestigious fellowships. These fellowships provide an opportunity for early career researchers (PhD + 0-3yrs) to conduct cutting edge, independent research aligned with Argonne and DOE missions. Fellows will also have the opportunity to make significant contributions to existing programs. These fellowships provide a way for top talent to launch their careers at Argonne. [Learn more...](#)

FACULTY SUMMER PROGRAM

The Office of Naval Research (ONR) Summer Faculty Research Program

The ONR Summer Faculty Research Program is accepting applications for 2022. ONR sponsors the Summer Faculty Research Program for U.S. citizens who hold teaching or research appointments at U.S. colleges and universities. This program provides an opportunity for faculty members to participate in research of mutual interest to the faculty member and professional peers at U.S. Navy Laboratories. **Application deadline is December 14, 2021.** [Read more...](#)

Stand Out to Get In: Demystifying the Graduate Application Process

Fall Speaker Series for Students

All students are welcome! The sessions are free, but registration is required.

[Register on the website](#) | [Fall Series Flyer](#)

Did you miss the a session? Recorded webinars and supporting materials are available on the LSMRCE website: <https://lsmrce.org/students/speaker-series.aspx>

A graphic for the "Fall 2021 Speaker Series". It features a computer monitor displaying the series logo, which includes the text "Fall 2021 SPEAKER SERIES" and "CONNECT - SHARE - GROW" along with icons of a smartphone, a group of people, and a brain. Above the monitor, it says "WEDNESDAYS @ 6p ET". To the right of the monitor, under the heading "UPCOMING SESSIONS", there is a list of three sessions: "Sept 29 Maximizing the Internship Experience", "Oct 6 Applying to Grad School: Considerations and Insider Information", and "Oct 13 Funding Grad School: Get your PhD for Free". At the bottom, a yellow banner contains the text "Register here: <https://lsmrce.org/students/speaker-series.aspx>".

LSMRCE HOSTED RECORDED WEBINARS

All recorded webinars can be found on the [LSMRCE YouTube video library](#).
